a. Introduction:

This paper proposes to cancel the SWL contest which run concurrently with the September VHF and October UHF/Microwave contests.

b. Background:

As of 1970 an SWL contest was established to be run concurrently with the official Region 1 VHF and UHF/Microwaves contests.

c. Key points and proposal:

For the past few years there was no entries for those two contest. Obviously there is no or very little interest among amateur community for SWL contest operation.
It is proposed to cancel the organization of SWL VHF&up contests.

d. Recommendation:

IARU Region 1 stops organizing SWL contests which run concurrently with the September VHF and October UHF/Microwave contests.
