From this list it becomes clear that some member societies have shared more of this burden than other. Please discuss within your society whether you can offer to organize one of the contests in the near future.

Your offers are welcome by e-mail to vhf@iaru-r1.org or at the conference in DAVOS

For your information :

I received on 10 March 2005 the following message:

OM Arie Dogterom, PA0EZ
Chairman of Region I VHF Working Group

SRAL organized the IARU Region I VHF/UHF/microwaves contest in 2002. We regret to inform You that it will not be possible to compile/publish the final results. That is because during the adjudication process log files have been lost.

I am very sorry, there is nothing to do.

Pasi Bergman, OH3WS
Chairman of SRAL
