

AWARD CTIF 2009

International association of fire and rescue service, well known as CTIF(Comité Technique International De Prevention Et D'Éxtinction Du Feu) ,is the most important international organization of fire fighters. [CTIF](#) was flounder in 1900 in Paris. Once per 4 years it organizes international firefighters sports meeting – Olympic games. In the 2009 the meeting is held in Ostrava in Czech Republic.

We are expecting that this competition will be attended by more than 3.500 participants (competitors, referees, judges, organization staff and important guests) from 24 countries around the world.

On the occasion of the event the Radio club VSB – Technical university of Ostrava (OK2KQM) holds competition for acquisition of the award CTIF 2009. More information about firefighter sports meeting can be found on the Internet: <http://www.ctif2009-ostrava.cz/>
