### Introduction

EDR proposes to abolish the HF-contest sub-group.

### Background

The HF-committee was established at the Brighton conference in 1981. Many of the HF-items discussed were related to HF-contesting, and therefore a HF contest sub-group was established to deal with contesting matters. Many good discussions were had within the sub-group and also in the pages of the contest sub-group's newsletter.

### Proposal

There is no longer a need for a contest sub-group.

At recent conferences the number of contest-related matters have been reduced and they can be considered in the HF-committee.

For several years no News-letter has been issued, and most discussions among contesters now take place on the Internet.

### Recommendation

The HF-Contest sub group is abolished.
